FUZZY PREFERENCE ORDERING OF INTERVAL NUMBERS IN DECISION ...

Thu, 04 May 2017 00:11:00 GMT

fuzzy preference ordering of intervals. ... fuzzy preference ordering of interval numbers in decision problems
copyright

FUZZY PREFERENCE ORDERING OF INTERVAL NUMBERS IN DECISION ...

Sat, 15 Apr 2017 03:04:00 GMT

fuzzy preference ordering of interval numbers in decision problems. ... fuzzy preference ordering of intervals ...
fuzzy preference ordering of interval numbers ...

FUZZY PREFERENCE ORDERING OF INTERVAL NUMBERS IN DECISION ...

Sat, 13 May 2017 11:21:00 GMT

fuzzy preference ordering of interval numbers in decision problems ... edition: 1 language: en ...

FUZZY PREFERENCE ORDERING OF INTERVAL NUMBERS IN DECISION ...

Tue, 23 Aug 2016 15:28:00 GMT

semantic scholar extracted view of "fuzzy preference ordering of interval numbers in decision problems" by ...
uncertain constrained optimization by interval ...

FUZZY PREFERENCE ORDERING OF INTERVAL NUMBERS IN DECISION ...

Thu, 06 Apr 2017 09:48:00 GMT

fuzzy preference ordering of interval numbers in decision problems. authors: sengupta, atanu, pal, tapan kumar

FUZZY PREFERENCE ORDERING OF INTERVALS - SPRINGER

Mon, 01 May 2017 08:14:00 GMT

fuzzy preference ordering of interval numbers in decision problems. ... fuzzy preference ordering of intervals. ...
fuzzy preference ordering of interval numbers in ...

THE PREFERENCE ORDER OF FUZZY NUMBERS - SCIENCEDIRECT

Wed, 10 May 2017 15:49:00 GMT

... of the preference order of fuzzy numbers for the ... preference order of two fuzzy numbers is ... to fuzzy decision
problems, ...

ON COMPATIBILITY OF INTERVAL FUZZY PREFERENCE RELATIONS

Sat, 29 Apr 2017 20:41:00 GMT

on compatibility of interval fuzzy preference ... relation of interval fuzzy preference relations a 1 ... interval
number. furthermore, in the decision ...

DECISION-MAKING WITH A FUZZY PREFERENCE RELATION ...

Sun, 23 Apr 2017 05:25:00 GMT

in such ,cases the dmp might more readily indicate a number from the interval ... ordering problems based on fuzzy
... fuzzy preference relation in it. the first ...

VIKOR METHOD FOR GROUP DECISION MAKING PROBLEMS WITH ...

Wed, 10 May 2017 01:44:00 GMT

vikor method for group decision making problems with ordinal interval numbers ... group decision making, ordinal

interval, preference ... of interval fuzzy number ...

A SOCIAL NETWORK ANALYSIS TRUST-CONSENSUS BASED APPROACH ...

Fri, 24 Mar 2017 06:43:00 GMT

decision-making problems with interval-valued fuzzy reciprocal ... of interval-valued fuzzy numbers ... definition 1 (fuzzy reciprocal preference relation ...

GENETIC ALGORITHMS FOR GROUP DECISION PROBLEMS USING ...

Thu, 31 Dec 2009 23:57:00 GMT

genetic algorithms for group decision problems using ordinal interval numbers

A GOAL PROGRAMMING APPROACH TO GROUP DECISION MAKING WITH ...

Mon, 26 Apr 2010 23:55:00 GMT

a goal programming approach to group decision making with incomplete fuzzy and interval preference relations

FUZZY PREFERENCE ORDERING OF INTERVAL NUMBERS IN DECISION ...

Tue, 09 May 2017 02:36:00 GMT

fuzzy preference ordering of interval numbers in decision problems. ... fuzzy preference ordering of interval numbers and ... fuzzy preference ordering of intervals ...

A GRAPHICAL METHOD FOR SOLVING INTERVAL MATRIX GAMES

Sun, 09 Jan 2011 23:57:00 GMT

abstract and applied analysis supports the ... on the basis of decision maker's opinion. 1.2 ... fuzzy preference ordering of interval numbers in ...

IJCA - A STUDY ON THE ROLE OF INTUITIONISTIC FUZZY SET IN ...

Wed, 03 May 2017 21:12:00 GMT

... a study on the role of intuitionistic fuzzy set in decision ... on the role of intuitionistic fuzzy set in ... fuzzy preferences" first ...

RESEARCHES OF WATER BLOOM EMERGENCY MANAGEMENT DECISION ...

Sat, 29 Apr 2017 12:06:00 GMT

researches of water bloom emergency management decision- ... based on water bloom emergency management decision-making ... fuzzy (interval number) decision matrix.

EXTENSION OF THE ARAS METHOD FOR DECISION-MAKING PROBLEMS ...

Fri, 21 Oct 2016 21:49:00 GMT

... due to the use of interval-valued fuzzy numbers, can be more appropriate for solving real-world problems. in order to ... decision-making problems with interval ...
